after Marcel Duchamp,
The Large Glass
(Bachelor Domain), 1915-1923
© 2000 Succession Marcel
Duchamp, ARS, N.Y./ADAGP, Paris

The basic premise of this project is to use the work of Marcel Duchamp as a framework from which to base a series of computer generated works. The significance of this project is to continue his intentions (or collaborate) in ways that would not have been possible before the introduction of high-end computer image manipulation.
